Mubashir Rehman

Software Engineer | UI/UX Designer | Frontend Developer

Islamabad/Rawalpindi, Pakistan | 0334 2911244 | mubashirkhax1@gmail.com | linkedin.com/in/mubashir-rehman-94b529294

PROFESSIONAL SUMMARY

BS Software Engineering graduate with 1+ years of hands-on experience designing intuitive digital experiences and building responsive web interfaces. Proficient in Figma for wireframing, user flows, and interactive prototyping, and in HTML5, CSS3, and JavaScript for translating designs into functional, modern web experiences. Experienced in client freelance and internship projects.

CORE EXPERTISE & SKILLS

UI/UX Design: Figma, UI Design, UX Design, Wireframing, User Flows, Interactive Prototyping, Design Systems, Visual Hierarchy

Frontend Dev: HTML5, CSS3, JavaScript (Vanilla), React.js Basics, Responsive Layouts, CSS Animations, Git & GitHub

AI & Productivity: AI-Assisted Design Tools, Prompt Engineering, Canva, MS Office (Word, Excel, PowerPoint), Documentation

WORK EXPERIENCE & INTERNSHIPS

UI/UX Designer & Frontend Developer -- Self-Employed

Jan 2025 - Present

- Designed modern web and mobile application interfaces in Figma with interactive prototypes and user flows.
- Developed responsive frontend layouts using HTML, CSS, and JavaScript, ensuring cross-device usability and clean code.
- Managed client design requirements, iterative feedback cycles, and prepared promotional assets & documentation.

UI/UX Design Intern -- CodeAlpha

10 July 2026 - 10 August 2026

- Designed high-fidelity user interfaces and wireframes in Figma applying responsive design principles.
- Created user flows and interactive prototypes translating project specifications into intuitive layouts.

Frontend Development Intern -- Decode Labs

Sept 2026 - Oct 2026 | Remote

- Built and refined interface components with HTML, CSS, and JavaScript adhering to responsive frontend fundamentals.

UI/UX Design Intern -- Syntecxhub

12 Sept 2026 - 12 Oct 2026 | Remote

- Executed UI design tasks and responsive interface concepts, wireframing and prototyping key digital journeys.

FEATURED DESIGN & FRONTEND PROJECTS

Portfolio Website Design: Personal portfolio concept presenting creative work and design case studies with high visual appeal.

Desert Safari Booking Platform: Tour exploration, package comparison, and streamlined multi-step reservation booking journey.

SkyCars Rental Website: Vehicle rental catalog, car filtering, specification comparison, and seamless booking experience.

FoodieGo Delivery App: Mobile food delivery app UI focusing on fast discovery, menu browsing, and clear cart/order checkout.

TechLearn & Doctor Appointments: Interactive online course learning LMS and accessible telemedicine appointment scheduling platform

EDUCATION & CERTIFICATIONS

Bachelor of Science in Software Engineering

Oct 2021 - June 2025

The City University of Science and Information Technology, Peshawar

Certifications: UI/UX Design Certification | Prompt Engineering -- 1 Million Prompters
